

## Rachel Richards Personal Lines Underwriter

### Career

I began working at Farmers Mutual Insurance Company in April of 2013 through a temporary agency. FMIC needed a part-time temporary worker only, so I did not think I would secure any full time or permanent employment. In August of 2013 I was hired as a permanent part time employee for the Underwriting Assistant position. After graduating college in 2014, I became a full-time employee in January. In February of 2014 I was promoted to Personal Lines Underwriter. I have always had wonderful opportunities with FMIC, amazing co-workers and an incredible agency force to work with. I am looking forward to more successful opportunities with all in future.

### Education

In January of 2014 I graduated from University of Phoenix with an Associate of Arts Degree in Business. Then, went on to obtain my Property & Casualty licensing in November of 2014. In February of 2018, I received my Associate in General Insurance (AINS) from The Institutes and have been continuing my studies for additional designations.

### Personal

I purchased a home in Fairmont fall of 2015, relocating from Clarksburg. Fairmont has been a wonderful homestead for my daughter Chloe and I. Chloe is a straight A student, who has been in the Marion County Youth Soccer Association for many seasons now. We added to our little family in July of 2018 when my boyfriend Joseph and his two children Joe and Maddy moved in.
